## Hotel Altstadt Vienna

[More Details...](#)

A carefully restored 19th-century patrician house, the Altstadt Vienna is a meeting place for lovers of art - a haven for travelers seeking a hotel with character. All 58 rooms and suites are individually designed, many by renowned designers such as Matteo Thun, Lena Hoschek, Gregor Eichinger, Lilli Hollein, and Andi Lackner. Personal service, combined with bold innovation has made the Altstadt Vienna what it is today: an epicenter of fine living.

### Your host

"Looking for a showroom for my art collection, I transformed a patrician house in Vienna's artists' quarter into a boutique hotel. It has always been my wish to create the surroundings in such a way that I personally would want to spend my time there. My philosophy is based on three components: supporting young artists, providing outstanding service for my guests and creating a fulfilling atmosphere and a high quality of life for my employees." Otto Wiesenthal

### Concierge Recommendation

The hotel is surrounded by many creative Austrian boutiques and restaurants. Take a stroll and discover charming souvenirs, have lunch and chat with locals.
